

Life Cycle of a Butterfly Worksheet

Name _____

Cut and paste the correct picture for each life cycle.

The worksheet contains four circular diagrams, each with a dashed square in the center and arrows indicating a clockwise cycle. The stages shown are: Butterfly, Egg on a leaf, Caterpillar, and Chrysalis. The diagrams are arranged in a 2x2 grid.

- Top Left:** Butterfly at the top, Chrysalis on the left, Caterpillar at the bottom. Dashed square in the center.
- Top Right:** Butterfly at the top, Egg on a leaf on the right, Caterpillar at the bottom. Dashed square in the center.
- Bottom Left:** Butterfly at the top, Egg on a leaf on the right, Chrysalis on the left. Dashed square in the center.
- Bottom Right:** Butterfly at the top, Egg on a leaf on the right, Caterpillar at the bottom. Dashed square in the center.
